## Department of Botany

- 1. Title of Activity:** Millet Food Festival
- 2. Day, Date & Venue:** Tuesday, 14<sup>th</sup> February 2023, at Iyengar Lab. Dept. of Botany
- 3. No. of beneficiaries:** 45
- 4. Description:**

Department of Botany of YCIS, Satara organized a “Millet food festival” to celebrate “International Millets Year 2023”. The festival was inaugurated by Honorable Principal, Dr. B. T. Jadhav Sir in presence of Vice Principal and all faculties of Botany Department.

Students of UG and PG were actively participated in the program. They brought different food items prepared by them using millets such as Ragi cookies, Ragi laddus, Bajra Khichada, Millet appe, Millet upama, Millet thali etc. Students used not only different millets in the recipes but also they explained the health benefits of millets to the guests.

- 5. Outcome:** a) This activity developed interest and awareness of millets among student and faculties
