ALCHEMY Lecture Series :2021
Report

Department of Chemistry organized three days Alchemy lecture series activity held on 10th June, 11th June and 12th June 2021 sponsored by RUSA.

Day first: Inaugural function and first lecture.

On 10th June 2021 first day of lecture series and inaugural function, Welcome address and information of department is given by Head department of Chemistry Mr. P.V. Bhise. The introduction of Hon. Chief guest Dr. Ajit Ekal Managing director INSTA VISION Laboratory and Services, Satara by Prof P.V. Chavan PG coordinator of Chemistry, YCIS. Satara. Dr. Ajit Ekal delivered speech on Current opportunities in Pharmaceutical and other industries and how to face interviews, he told the Techniques of industrial requirements for future.

More than 80 participants of M.Sc. II and faculty of Chemistry department participated for that lecture, Miss. Pratiksha Bhujbal (M.Sc. II Organic chemistry) delivered vote of thanks.

Second day of lecture series.

On 11th June 2021 second day of lecture series, Dr. S. B. Kamble, Assistant Professor of our department has introduced the chief guest. Mr. Hemantkumar S. Shete. Hon. Chief guest Mr. Hemantkumar S. Shete, Factory Manager Aaheli Healthcare Pvt. Ltd. Karad, delivered a lecture on Quality Assurance jobs in pharmaceutical industries. He has told about quality assurance in pharmaceutical industries, Q. A. department is responsible for the stability testing of the pharmaceutical product manufactured in factory, the jobs in pharmaceutical industries, role of chemist as Quality assurance in pharmaceutical industries. Students know how quality assurance is an important part of pharmaceutical manufacturing.

In this session, 88 students from M.Sc. II and faculty were participated for that lecture, Miss. Anupama Nair (M.Sc. II Analytical chemistry) delivered vote of thanks.
