Hon. Dr. B. T. Jadhav (Principal, YCIS, Satara) explained “Alchemy”, is a form of chemistry in the middle ages which involved trying to discover how to change ordinary metals into gold. He told that among these students find clever students from alchemy competition and also guided the students to start their own industry.

Vote of thanks for the Alchamy competition was expressed by Mr. P.M. Gaikwad.

After the Inaugural function of this competition, Alchemy round started and in the final round S, P, D and F teams were participated. S team got the first rank while F team got the second rank and D team got third rank while P team got fourth rank. Two students from each team have been selected for Alchemy quiz competition.

S team = Rymann Manter and Rushikesh Ghadge (First rank)

F team = Ketan More and Nisha Shirke (Second rank)

D team = Mayuri Ghadge and Shruti Jadhav (Third rank)

P team = Gaurav Choukwale and Kajal Pawar (Fourth rank)
