NET SET Guidance Committee 2023-24

A REPORT ON LECTURE

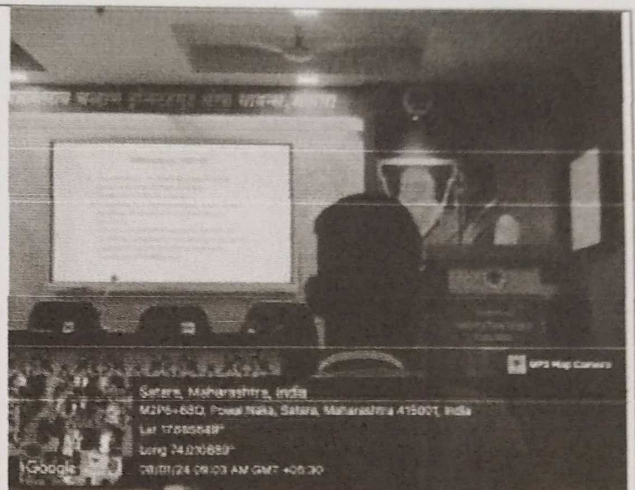

The lecture on "NET Examination Pattern" is organized by NET SET Guidance Committee on 8th January 2024 at 9.00 am in A-1-8 hall, Yashavantrao Chavan Institute of Science Satara. The speaker for the lecture was Mr. A. D. Kadam, Assistant Professor, Department of Chemistry, YCIS, Satara.

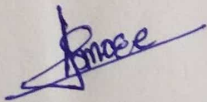

The event was started with welcome of speaker, Mr. A. D. Kadam by Ms. A. S. More, NET SET Guidance Committee and Assistant Professor, Department of Chemistry, YCIS, Satara with felicitation by Dr. S. P. Waghmare, Assistant Professor, Department of Chemistry, YCIS, Satara. The lecture was processed by a brief introduction and short talk by Ms. A. S. More about committee. In the lecture, Mr. A. D. Kadam gave the brief information about NET examination pattern, structures of papers and previous year questions. He also discussed the questions related to NET examination.

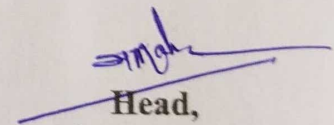

Total 50 students of M.Sc. II organic, Inorganic and Analytical Chemistry and 4 faculties were present for lecture.

The event ended with honorarium to the speaker and vote of thanks by Ms. A. S. More.
