Report on Teachers Day Celebration

Satara, Sept. 5

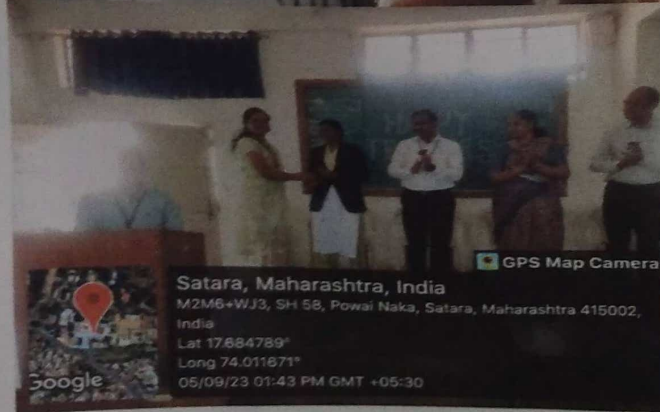

Department of chemistry, YCIS, Satara celebrated the teachers day on 5 September 2023 with great enthusiasm. The whole program was organized by the Msc-2 year students. We decided that the responsibility of teaching is taken up by the students as an appreciation for their teachers. Total 18 students participated in teachers day and has prepared time table of lectures from 8.30AM to 1.30PM. Students went to class to delivers on ongoing semester subjects.

After finishing the lectures till 1.30 PM we organized one small program to felicitate the teachers. The program started sharp at 1.45Pm. All the teaching staff joined that program with happiness. The president of that program was Dr. S. T. Mahanwar madam, Head, Department of Chemistry. The introduction of program was given by Rayman Manter (Msc-2). After introduction students felicitated all the respected teachers. After that two students shared their teaching experience of that day. Some of our respected teachers also delivers their experience and feelings about their teaching life. At last RajnandiniJadhav (Msc-2) gives vote of thanks and program was end by taking one group photo.
