## ABOUT ME

I am having 2.5 years of teaching experience and worked as Guest Lecturer and external examiner. I am also working as private investigator for various insurance fraud cases.

Apart from teaching, I have actively contributed to various academic events like National and International conferences, workshops and seminar. In National Conference entitled as 'Emergence in Scientific Investigative Techniques' and 'Threat Hunting Conclave' as organizing secretary in 2023 and 2024 respectively. I have a Forensic Science Laboratory experience during the internship worked at Toxicology Division and Handled various cases of poisoning, drowning etc. and handled various instruments in FSL. I have completed one PG minor research project.

Currently I am pursuing PhD from ICMR-National Institute of Occupational Health, Meghaninagaer, Ahmedabad, Gujarat.
