

ALUMNI MEET

Dear Alumnus,

On the occasion of Centenary Year of Rayat Shikshan Sanstha, Yashavantrao Chavan Institute of Science, Satara with great pleasure invites all its esteemed alumni to revisit their alma-mater. We feel elated to share the achievements of our institute since its establishment. Its journey from being the first science college in Satara to the leading college in Shivaji University jurisdiction, NAAC accredited 'A' grade college in the first cycle to 'A+' grade in the third cycle, from CPE, Star Status to Autonomous Status and now set to be a lead college of Karmaveer Bhaurao Patil Cluster University. In the last 60 years, our alumni have reached great heights in their respective fields making us all proud. We are thankful to your support as NAAC and NIRF accreditation systems give special importance to the alumni of an institute. In order to further strengthen our bond we invite you all to come, visit the college, relive your college days and give us your important suggestions in the light of your experience which would help us improve and achieve further. Let's all come together for the institute.

All alumni are invited to the institute as per the schedule given so that we can have a great interaction.

Alumni Batch	Date and Day	Timing
