Maharashtra gets second biggest chunk of campus-boost grant

A COUNTRYWIDE SCHEME

Mumbai: Maharashtra has bagged the second largest share of funds for improving the quality of its autonomous colleges. Eight institutions from Mumbai have been selected to get Rs 1 crore each to improve overall excellence on campus. These are St Xavier's, Sophia, Mithibai, St. X. Birla, Rusa, SES, Jai Hind and Karmaveer Bhaurao Patil colleges.

The 32-37 colleges nationwide will receive the quality enhancement grant, of which 10 are from Maharashtra. The decision was taken on Monday at the 18th Project Approval Board that met in the evening.

Tamil Nadu has the highest, with 17 colleges. There is one college each in Bihar and West Bengal.

The colleges will get the RUSA (Rashtriya Uchchatar Shiksha Abhiyan) expenditure apart from funds. Colleges will have to submit a detailed plan on what they will do to improve quality. Institutes had applied for funds under the challenge level funding programme.

The infused money will have to be utilised within 18 months. The action plan to be submitted must detail how the college proposes to take the institutions to the next level while complying with UCC regulations on autonomy.

Autonomy and excellence will get a huge boost with these funds. It is hoped that colleges will draw up robust and evaluation plans on how they will utilize the grant and improve academics, their administration and provide students with better facilities. Colleges are also expected to meet the faculty strength requirements," said Dr Venkatesh Kumar, national co-ordinator of the RUSA scheme. They need to have a minimum 50% of permanent faculty filled.

At Ramkrishna Mission College, the grant will be used for improving teaching, learning and evaluation. Principal Anshu Lohar said, "We plan to improve our teaching, learning and evaluation methods. We have already started a bit of on-screen assessment and plan to improve on that, as also better our infrastructure and research."

The other colleges in the state include Symbiosis College of Arts and Commerce, Pune and Yashwantrao Chavan Institute of Science, Satara.

Mithibai College's principal Rajal Hende said the college plans to develop a comprehensive course-based system. "We want to implement skill development programmes, exam reforms and upgrade our academic systems," he said.

या यशाबद्दल रयत शिक्षण संस्थेचे चेअरमन, मा.डॉ.अनिल पाटील सो

यांनी महाविद्यालयाचे विशेष अभिनंदन केले. त्याबद्दल प्राचार्य डॉ.के.जी.कानडे
