**Guest Lecture on**

**"FOOD ANALYSIS AND QUALITY ASURANCE"**

**Report**

The Department of Food Processing & Packaging, Y.C.I.S. Satara organized an Online Guest Lecture on "Food Microbial Analysis and Microbial Safety of Food" on Monday, 14<sup>th</sup> March 2022 for the **Diploma Year II** Students. We had presence of auspicious resource person; **Miss Vishakha M Salunkhe**, Owner, VishakhaFoods and Spices, Satara.

Our key Speaker, **Miss Vishakha M Salunkhe** focused on the importance of microbial analysis of various food items and the importance of microbial analysis of food, also the guest emphasized on the Principles of Impedance and Conductance in microbiology.

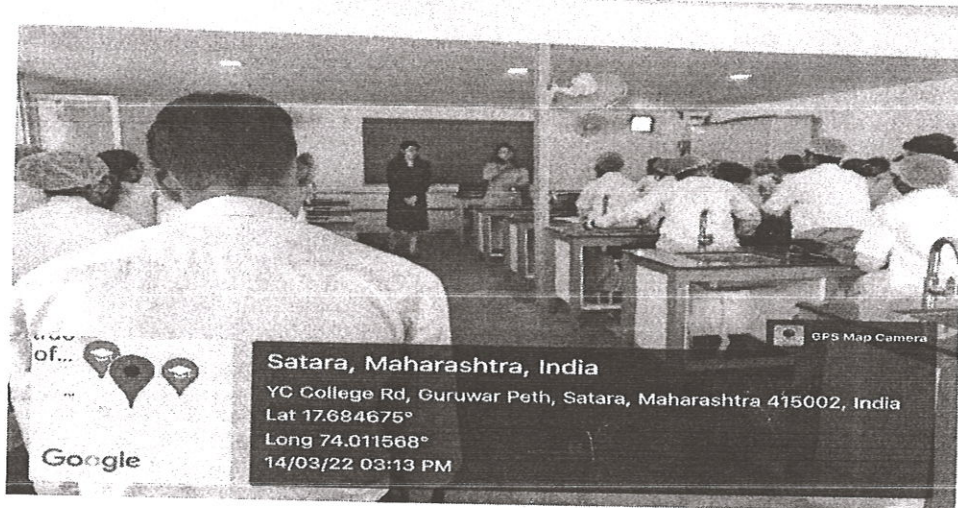

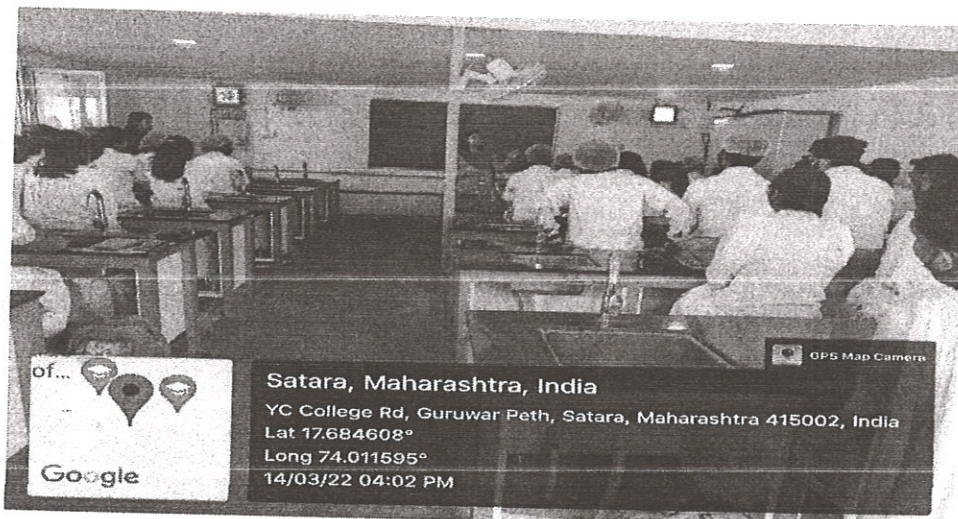

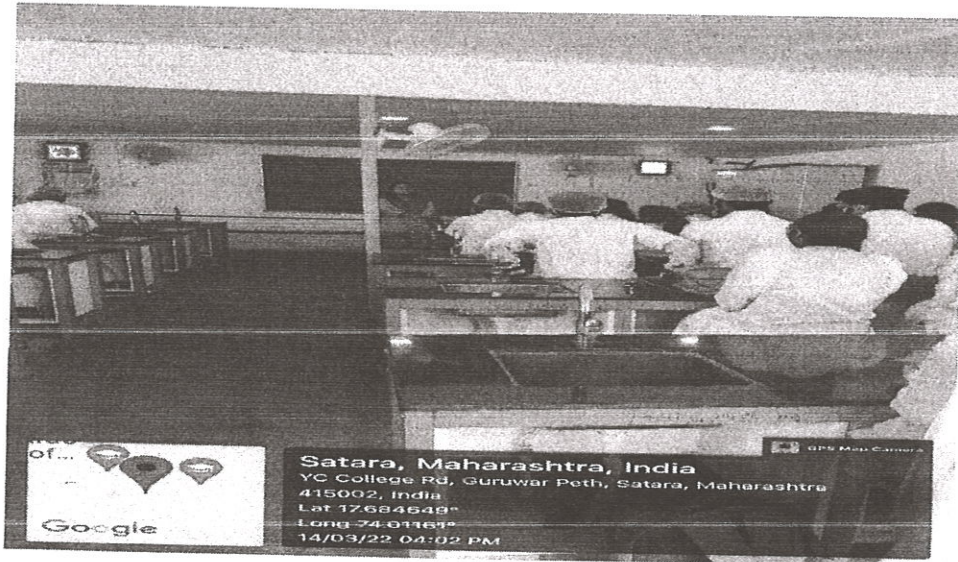

Total 67 students showed their presence for the lecture. The resource person gave their tremendous contribution to show the right path to the students to choose their career wisely.

The program concluded with an interactive session of the students with the delegates. Positive response of the students was appreciated.
