**Faculty Exchange Programme 2022-23**  
(Last date: 07/02/2023)

Applications are invited for the following year from Faculty of the institute for the Faculty Exchange Programme for conducting advanced research or undergoing specialized training at National and International Research Institutes/Laboratories.

### Details of Programme

This programme will be awarded on a competitive basis to the **faculty** for furtherance of their research and/or research capabilities for carrying out collaborative research, undergoing training in specific techniques, or utilizing facilities not available in their own institutions. This award will be for a minimum period of one week to a maximum of 15 days in a laboratory or research institutions of his/her choice anywhere within India and Abroad.

### Value

During the period, awardees will be paid consolidated amount of Rs.25,000/- and for Abroad Rs. 1,00,000/- (maximum to cover their expenses related to boarding, lodging, travel etc)

### Application Procedure

Applications will be invited up to **7<sup>th</sup> February 2023**. The applicants would be required to provide a concise account of their plan of work/ study besides their bio-data highlighting their achievements. It would be desirable that the applicant should have approached the host institution and the scientist concerned to ascertain their concurrence to accept him/ her.

The applicant should be a **Faculty** of Yashwantrao Chavan institute of Science (Autonomous), Satara.

Faculty should submit their application (Two Sets) on prescribed application format through proper channel to the **Dean, Research Development and Extension Yashwantrao Chavan institute of Science (Autonomous), Satara**. The decision of the Institute will be communicated during 1<sup>st</sup> week of January.
