IILP Activity

17th January, 2026

The Department of Computer Science (Entire) of Yashvantrao Chavan Institute of Science, Satara organized a Career Counselling and Career Guidance session on “Recent Trends in Computer Science” on 17 January 2026. The session was conducted for B.Sc Computer Science students of First, Second, and Third Year with the objective of creating awareness about emerging technologies, industry expectations, and future career opportunities in the field of Computer Science. A total of 95 students benefited from this informative and career-oriented session.

The program began with an inspiring introduction by Ms. M. S. Nawadkar Madam, who emphasized the importance of career planning and staying updated with current technological trends. She highlighted that in today’s competitive environment, students must go beyond textbooks and develop practical skills, professional attitude, and continuous learning habits. Her introductory speech motivated students to actively engage in the session and make the most of the guidance provided.

The career guidance workshop was conducted by Mr. Ajay Jadhav, Software Engineer at Mindbowser Inc., Pune, who served as the resource person for the session. With his rich industry experience, Mr. Jadhav delivered a detailed and insightful lecture on recent trends in Computer Science. He discussed emerging and in-demand areas such as Artificial Intelligence, Machine Learning, Data Science, Cloud Computing, Cybersecurity, Web Development, and Mobile Application Development. He explained how these technologies are transforming various industries and creating new job roles for computer science graduates.

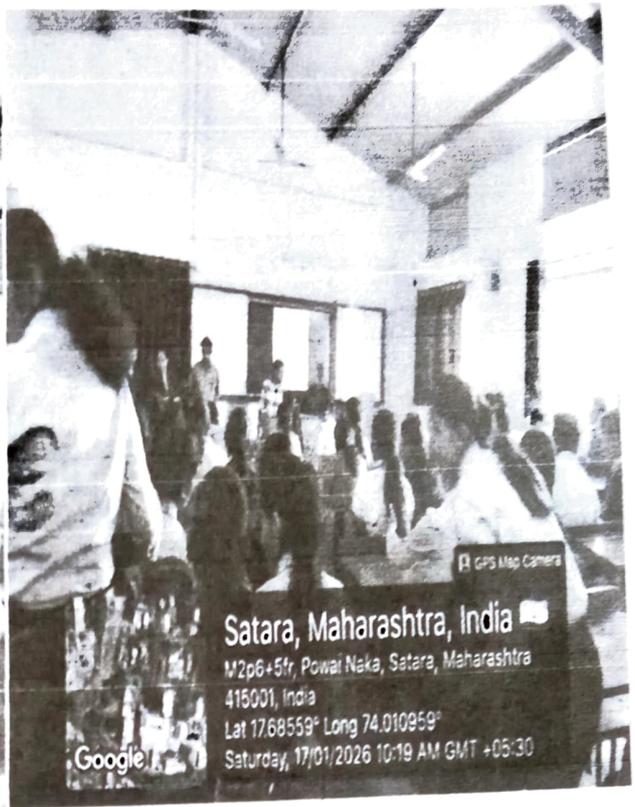

Mr. Jadhav also guided students on the technical skills required by the IT industry, including programming languages such as Python, Java, and JavaScript, along with a strong foundation in data structures and algorithms. In addition, he emphasized the importance of soft skills like communication, teamwork, problem-solving, and adaptability, which play a crucial role in professional growth. He encouraged students to participate in internships, live projects, online certification courses, and hackathons to gain hands-on experience and improve employability.

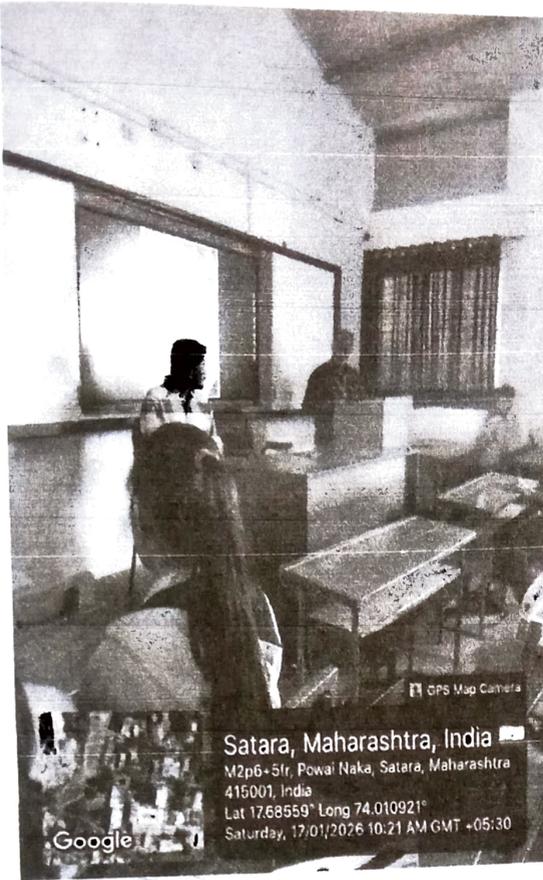

Special guidance was provided according to the academic level of students. B.Sc First Year students were advised to focus on building strong fundamentals, Second Year students were encouraged to explore specialization areas, and Third Year students were guided regarding placement preparation, higher education options such as M.Sc., MCA, MBA, and competitive examinations. The session was interactive, and students actively asked questions related to career paths, industry expectations, and future opportunities.

The program concluded with a Vote of Thanks by Mr. R. K. Shaikh Sir, who expressed sincere gratitude to the resource person, faculty members, and students for their active participation. He appreciated Mr. Ajay Jadhav for sharing valuable industry insights and motivating students towards successful careers.

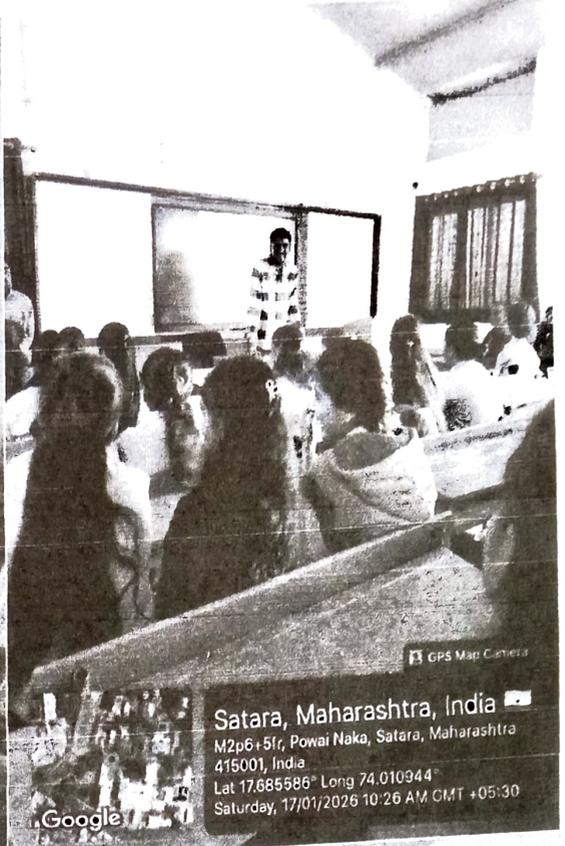

The Career Counselling and Career Guidance session was highly successful and beneficial for the 95 participating students, helping them gain clarity about recent trends in Computer Science and enabling them to plan their academic and professional futures effectively.

Subject: Letter of Appreciation.

Dear Sir,

Thank you very much for delivering an informative and thought provoking Guest Lecture on 17th January 2026 at Yashwantrao Chavan Institute of Science, Satara. On the occasion of "Guest Lecture on Recent Trends in Computer Science: Career Counselling and Career Guidance".

It was really a splendid session. Your effort in the capacity of Resource Person was appreciated by all and the participants benefited from your views on the subject.

We look forward to your co-operation for the promotion of professional education in future as well.

Thanking You,

Yours faithfully,

Doayhamase
