Title Activity: Ideation Framework for Animation and Digital Media

Resource person : Ms. Prapti Sabale
Founder & CEO Digiprobrand, satara

Date & Venue : Saturday 10/01/2026 , M-1-10 (Lecture hall)

Time: 11:00 to 2:00 pm

Department of Animation Science organized Guest Lecture under The Entrepreneurship Development Cell on "Ideation Framework for Animation and Digital Media" to provide students with industry-oriented insights into creative thinking and business development. The program was attended by FY, SY, and TY B.Sc. Animation Science students along with M.Sc. Animation Science Part I and Part II students. The session was delivered by Ms. Prapti Sabale, Founder & CEO of Digiprobrand, Satara, who has extensive experience in digital branding, media strategy, and creative entrepreneurship.

The program began with the program introduction by Prof. R. V. Bhambure Sir, who explained the objectives of the guest lecture. This was followed by the guest introduction by Prof. Y. S. Patil Sir, who formally introduced the resource person. The felicitation of the resource person was carried out by Prof. R. V. Bhambure Sir as a token of respect and appreciation for sharing valuable industry knowledge. The entire session was smoothly conducted by Prof. P. R. Yadav Madam, who efficiently anchored the program and maintained continuity throughout the event. The program concluded with a sincere vote of thanks by Prof. M. A. Shinde Madam, who expressed gratitude to the resource person, faculty members, organizers, and students for their active participation and support in making the event successful.

Ms. Prapti Sabale began the session by explaining the importance of ideation in animation and digital media projects. She emphasized that strong ideas are the foundation of successful animations, digital campaigns, and creative startups.

Key points discussed during the lecture included:

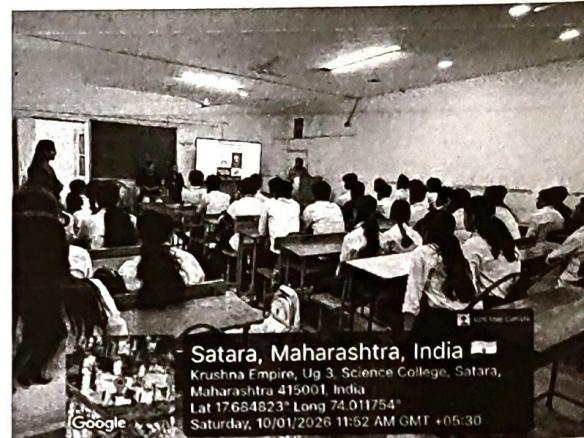

- Understanding the problem–solution approach in creative projects.
- Steps of an effective ideation framework : research, brainstorming, concept development, validation, and execution.
- Role of storytelling, visual thinking, and audience psychology in animation and digital media.
- Industry expectations from animation and digital media professionals.
- Real-world case studies from Digiprobrand showcasing branding, animation, and digital marketing projects.
- Basics of entrepreneurship, freelancing, and startup opportunities in the digital media sector.

Ms. Prapti Sabale patiently addressed all queries and motivated students to think creatively and entrepreneurially.
