Guest Lecture on  
“Basics of IPR and its Importance for Innovators and Entrepreneurship”

Under  
Entrepreneurship Development Cell

**Report**

**16 January 2026**

The Department of Food Technology, Yashavantrao Chavan Institute of Science, Satara has organized Guest Lecture on “Basics of IPR and its Importance for Innovators and Entrepreneurship” under Entrepreneurship Development Cell on 16 January 2026. We had erudite resource Adv. Shreya Patil, Food Technologist, LLM. IPR, District and Sessions Court, Satara. The Welcome address was given by Ms. K. D. Dake, Member, ED cell. The Presidential address was given by Prof. Dr. V. S. Patil, Head Department of Food Technology and Vote of thanks for inauguration program was given by Mr. N. N. Shaikh, Assistant Professor, Department of Food Technology Yashavantrao Chavan Institute of Science, Satara.

**Objective-** The objective of guest lecture on the primary objective of IPR is to encourage individuals and commercial undertakings to invest in innovative and creative works. It grants intellectual property owners like copyright owners exclusive rights to prevent others from using their ideas, designs, and inventions and to give individuals and businesses the right to protect their creations, incentivize further research and development, and create fair competition.

**Outcome-** To understand the opportunity to sharpen entrepreneurial competencies also the project selection criteria as well as clarity about the business idea and make market potential for the product or service also various skills in preparing business plan.
