Industrial Visit

Report

Department of Food Technology had planned a visit to Pragati Foods, Revande Satara on 4th December 2025. Total 03 students and 2 members of faculty visited the industry. The visit was organized with a purpose that the students must get familiar with the work culture and processing of Pickles and dehydrated products.

The vision of this visit was to analysis Spices products. The students experienced plant hygiene, personal hygiene, working of various machineries such as Cutting Machined, Mixing Machines Packaging Machine.

Objective- The objective of an industrial visit is to provide students with an insight into the corporate world. It provides students with a practical real-world perspective on different functions in organizations.

Outcomes- It helps students gain first-hand information regarding the functioning of the industry, bridge the gap between theoretical training and practical learning in a real-life environment, provide an opportunity for active/interactive learning experiences in-class as well outside the classroom environment etc.

Organizer: Department of Food technology

Title of the activity: Industrial visit

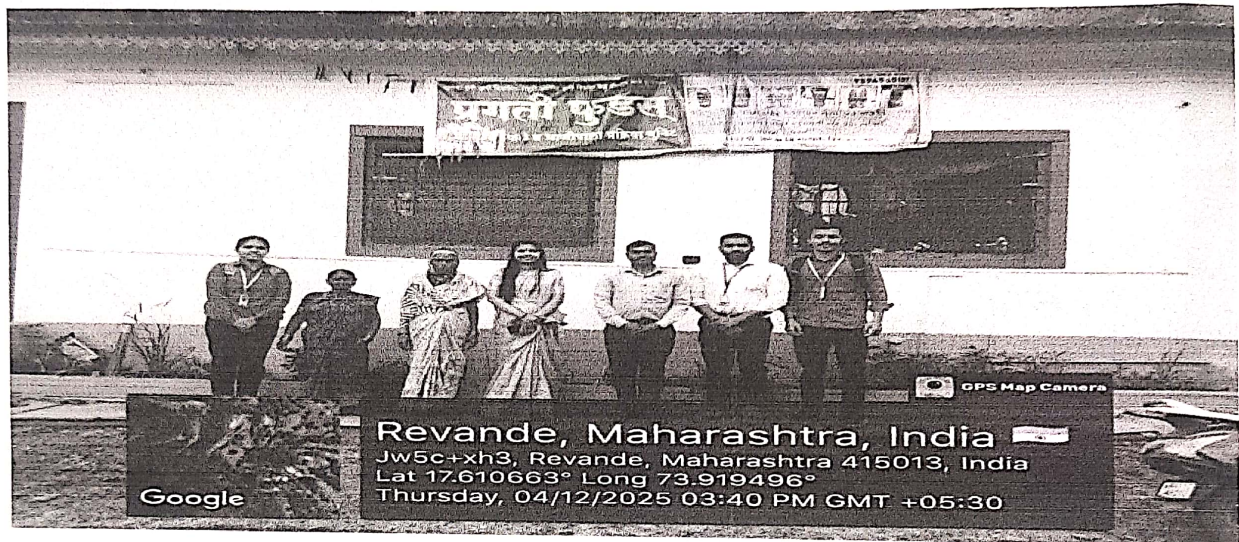

Place of activity: Pragati Foods at Revande Satara

Date of activity: 4th December 2025

No of beneficiaries: - 05

Under the guidance: Prof.(Dr.) V. S. Patil (Head Department of Food Technology) & Mr. M. A. Dange (Co - ordinator, Department of Food Technology)
