

REPORT OF DEPARTMENTAL WORKSHOP

Title of the Activity: Safe Weapon Handling and Hands on Firing

Organized by: Department of Military Science Collaboration With NCC ,YCIS,Satara

Day & Date: Thursday ,22 Jan, 2026

Venue: Badminton Court, YCIS, Satara

Participants: B.Sc. I, II, III Military Science Students, NCC Cadets (Boys & Girls)

Resource Persons: Sub.Deepak Shinde (Retd.Indian Army)
Hav. Santosh Wagh (16, Maratha Li Indian Army)

Objective of the Activity:

The primary objective of this departmental activity was to train NCC cadets in **safe weapon handling practices** and to provide **practical exposure to rifle firing** under strict supervision. The activity aimed to instil discipline, confidence, responsibility, and respect for safety protocols while handling firearms.

Description of the Activity:

Firstly, the inauguration function began with a warm welcome of resource person. The **Chief Guest** addressed the cadets and emphasized the importance of **discipline, alertness, and adherence to safety protocols**. The **President of function Hon.Dr.S.T. Salunkhe sir** delivered a special address and structure of the training program. The activity commenced with a detailed briefing on weapon safety rules, emphasizing the importance of discipline, alertness, and responsibility while handling firearms. Following the theoretical session, cadets were guided through **demonstrations on correct holding posture, aiming techniques, and firing positions**. Each cadet was given hands-on experience in firing the rifle under the close supervision of resource person. All safety norms were strictly adhered to throughout the session. The instructors continuously monitored the cadets and provided individual guidance to ensure a safe and educational experience.

Outcome of the Activity:

- Cadets gained practical knowledge of **safe weapon handling**
- Improved confidence and discipline among cadets
- Enhanced understanding of firing procedures and safety protocols
- Development of leadership qualities and sense of responsibility
- Increased interest and motivation towards NCC training activities

Conclusion:

The activity was conducted successfully and met its intended objectives. The cadets actively participated and demonstrated keen interest throughout the program. The program concluded with a feedback session and vote of thanks to resource person and organizers.
